ABOUT ME

First-year Computer Science Engineering student at Lovely Professional University with a passion for full-stack development. Actively building projects and expanding technical skills in web development. Interested in learning, collaborating, and contributing to innovative solutions.

SKILLS

Languages:	JavaScript, Python
Web Technologies:	HTML, CSS
Frameworks/Libraries:	N/A
Databases:	N/A
Tools/Platforms:	Git, GitHub, VS Code
Soft Skills:	Problem Solving, Teamwork, Time Management, Adaptability

PROJECTS

Myntra Clone | Front-end Web Application | [GitHub](#) | [Live Demo](#) [11 Nov 2025]

- Developed a pixel-perfect visual replica of Myntra's homepage, demonstrating front-end development skills.
- Implemented responsive design using HTML and CSS to ensure cross-device compatibility.
- Focused on UI/UX principles to recreate an e-commerce interface.
- Tech Stack:** HTML, CSS

Web Calculator | Interactive Web Application | [GitHub](#) [16 Nov 2025]

- Built a functional calculator application using vanilla JavaScript.
- Implemented core arithmetic operations and an interactive user interface.
- Applied DOM manipulation techniques for real-time calculation display.
- Tech Stack:** HTML, CSS, JavaScript

Rock-Paper-Scissors Game | Browser-Based Game | [GitHub](#) | [Live Demo](#) [23 Nov 2025]

- Developed an interactive Rock-Paper-Scissors game with a clean user interface.
- Implemented game logic and score tracking system using JavaScript.
- Created responsive design for seamless gameplay across different devices.
- Deployed on Vercel for live demonstration and user accessibility.
- Tech Stack:** HTML, CSS, JavaScript

CERTIFICATES

• **Time Management Course** [29 Sep 2025]
TECH VEDA | [Certificate Link](#)

ACHIEVEMENTS

- Actively building projects and maintaining code repositories on GitHub
- Strong problem-solving abilities and eagerness to contribute to collaborative projects

EDUCATION

Lovely Professional University B.Tech in Computer Science and Engineering; CGPA: NA	Phagwara, Punjab, India Aug' 23 – Present
--	--

Jesus And Mary Academy Intermediate; Percentage: 69.3	Darbhanga, Bihar Apr' 23 – Mar' 24
--	---------------------------------------

Jesus And Mary Academy Matriculation; Percentage: 88.2	Darbhanga, Bihar Apr' 21 – Mar' 22
---	---------------------------------------
