SKILLS

Languages: C/C++, Python, JavaScript, SQL
Tools/Platforms: Git, GitHub, VS Code, Linux, PostgreSQL
Soft Skills: Problem-Solving, Team Player, Adaptability

PROJECTS

- Anti-Theft Locker System** | [GitHub](#) | [Live](#) Apr' 26
- Designed an interactive digital locker security interface featuring authentication mechanisms and unauthorized access alerts.
 - Implemented real-time status tracking, PIN/passcode verification logic, and security incident event logging.
 - Created a modern, responsive dashboard interface to monitor locker states and security triggers
 - Tech Stack: *HTML5, CSS3, JavaScript, Web APIs, Vercel*
- Resume Parser** | [GitHub](#) | [Live](#) Apr' 26
- Developed an automated resume parsing tool leveraging Natural Language Processing (NLP) to extract key candidate information.
 - Implemented entity extraction algorithms to parse contact details, technical skills, work history, and education from document uploads.
 - Structured raw, unstructured text into categorized JSON outputs to streamline candidate screening workflows.
 - Tech Stack: Python, JavaScript, NLP, Regex, HTML, CSS, Vercel
- CGPA Calculator (LPU Based)** | [GitHub](#) | [Live](#) Sep' 25
- Built a responsive web utility for students to compute semester GPA and cumulative CGPA with dynamic subject/credit inputs.
 - Implemented real-time score computation and client-side persistence using LocalStorage to retain academic records across sessions.
 - Designed a minimal, mobile-friendly interface focused on zero-latency calculations and smooth user experience.
 - Tech Stack: HTML5, CSS3, JavaScript, Vercel

TRAINING

- Community Development Project** | [Times of India](#) Jun' 26 – Jul' 26
- Conducted the Times Critical Thinking Championship (TCTC) for rural students at UHS Kamalpur Purvi, Bihar, focusing on environmental sustainability and water conservation.
 - Trained students in practical problem-solving and critical thinking to move beyond rote learning and address local ecological issues.

CERTIFICATES

- Introduction to Python | [Infosys Springboard](#) June' 26
- Introduction to Artificial Intelligence | [Infosys Springboard](#) Mar' 26
- Effective Time Management | [Tech Veda](#) Oct' 25

EDUCATION

- Lovely Professional University** Phagwara, Punjab
Bachelor of Technology Aug' 21 – Present
Computer Science and Engineering; CGPA: 8.96
- Jesus & Mary Academy** Darbhanga, Bihar
Intermediate with PCM; Percentage: 69% Apr' 23 – Mar' 24
- Jesus & Mary Academy** Darbhanga, Bihar
Matriculation; Percentage: 88% Apr' 21 – Mar' 22
